Danny Roth : The Expert Advancer (Collins Winning Bridge) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Expert Advancer (Collins Winning Bridge):

This is the third title in the "Expert Bridge" series, which aims to bring the original beginner up to a standard of

competence in general bridge play and bidding. The main emphasis lies in play and defence and includes declarer play at no-trump contracts and at trump contracts, and defence play against no-trump contracts and against trump contracts. The bidding section progresses from the first two rounds of bidding against silent opposition to a detailed analysis of competitive auctions, with the accent on avoiding careless mistakes.
