Henry Purcell : The Fairy Queen: An Opera before purchasing it in order to gage whether or not it would be worth my time, and all praised The Fairy Queen: An Opera:

First published in 1931, this book presents the text of Thomas Purcell's opera The Fairy Queen, which was performed in this form as an acted adaptation at the New Theatre, Cambridge from 10-14 February 1931. Purcell based his opera on A Midsummer Night's Dream and this version was altered to incorporate more dialogue from Shakespeare's play in place of changes made by an anonymous librettist in 1692. This book will be of value to anyone with an interest in

Purcell and Shakespeare.
